Oasis® 2900 Solar Insect Shades

Solar Insect Shade designed for window, door, patio or garage applications

- Minimizes fabric movement due to wind and outdoor elements
- Prevents insect intrusion
- Decreases solar heat and glare

Insolroll uses the time proven SHY Zip technology to seal the edges of the shade. SHY Zip is a product of SHY Co. Ltd. of Japan and distributed exclusively in North America by its authorized sub-licensees.

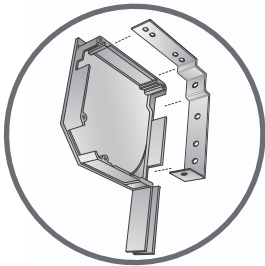

110 volt AC tubular motor or crank and gear operator

Fully enclosed aluminum head box protects fabric when retracted; available in white, bronze and tan.

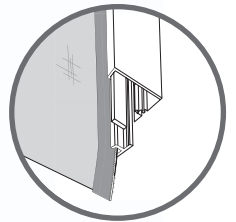

Insolroll's specialized fabrics for exterior solar screen shades range from 1% to 14% openness to control varying degrees of sun exposure.

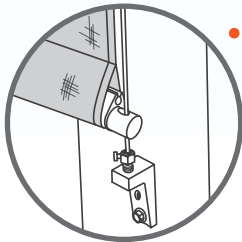

Reinforced bracket design for large patio installations

Reinforced, welded edges provide increased fabric durability
