Chain guide colors: Black, white, brown, nickel

Chain options: Polyester cord with plastic bead chain (black, white, or brown)

OR stainless steel chain.

All products with chain loops require:

- Child-safe locking chain guide installed
- Warning labels permanently affixed to shade hem bar

The most attractive chain guides in the industry, Insolroll's proprietary Metal Select locking chain guides provide both increased child safety and greater durability than industry standard plastic chain guides.

All Insolroll products meet ANSI/WCMA A100.1-2012 Child Safety Standard, and will meet or exceed the new standard scheduled to take effect 12/15/18.
